

NELLIS INSIGHTS

Community Updates and Stories | December 2018

ONE MISSION. ONE COMMUNITY.

Hope, Joy & Gratitude

With the holidays upon us, we'd like to take this opportunity to reflect on our gifts - we have a wonderful community of neighbors. Keep in mind those who may be alone on the holidays and find ways to include them. There are opportunities small and large to better someone's holiday - sponsor a child from a giving tree, make a donation at the food bank, be extra kind & patient to the cashier when buying groceries for your holiday feast. Invite someone who can't get home from the holidays to join yours. Resolve to spread some cheer well into the New Year!

Celebrate Safety

- More house fires occur on Christmas than any other day except Thanksgiving- Stand by your pan! Be mindful when cooking – it's easy to get distracted.
- Be extra cautious if using candles. Employ a one foot circle of safety with nothing within that could burn.
 - Water live trees daily
 - Unplug lights before leaving the house or going to bed at night. Consider using LED lights which are cooler than other types.
 - Develop and practice a home fire escape plan
 - Ensure your smoke and CO detectors are working. Initiate a maintenance request if you need assistance or are unsure.
 - Don't overload extension cord and don't run them under rugs or carpets
 - Ensure lights and cords used outside are rated for exterior use.
