Happy Fourth of July!

## NFH Important Fourth of July Safety

Please remember that fireworks are NOT allowed in the community, on base. The safest way to enjoy them is at a public display. Even sparklers are dangerous – they reach 1500 degrees, aren't suitable for children. Consider providing glow sticks to children to enjoy while watching public fireworks displays – with trained professionals and emergency response personnel on hand.

**Pets** - Keep ALL your pets inside at all times! Loud noises & bright flashes of fireworks can cause pets to flee, jump the fence. Choose a quiet room, block outside sights & sounds. Include their crate, toys & blanket for comfort. Check that your pet's collar & tags are current & securely fastened, they are all micro-chipped if you not already. Keep food & alcohol out of reach as these can be toxic for pets. Avoid scraps from the grill, while tempting to pets, sudden changes to your pet's diet can cause stomach upset, also certain foods like onions, avocados, grapes & raisins can be toxic.

Please have a safe and Happy Fourth of July. We really want to see you safe and happy on the Fifth of July, as well.

## Our President's Message

The month of June was a very busy month for Hunt Military Communities. As most of you saw in the recent letter we sent to each of you, we've heard loud and clear that we need to be more responsive to the needs and concerns of each of you, which means giving you a stronger voice and making sure that you are heard within our communities. To that end, we've undertaken a top-down review of our processes, policies, training programs, and the tools at our residents' disposal to ensure we fulfill our responsibilities. All of those changes are outlined in the letter you should have received. If you have not, please let your Community Director know as soon as possible.

Also in June, HMC's non-profit organization, the Hunt Heroes Foundation (HHF) had a very productive meeting with Stop Soldier Suicide (SSS). SSS and HHF have a very strong relationship, and this strategic meeting outlined ways that we can help support their mission in ending suicide among active duty military members, veterans and retirees. Stay tuned for more information on how this partnership will evolve and what you can do to support it. As always, if you are interested in learning more about the Hunt Heroes Foundation, or supporting its cause, please log onto [huntheroesfoundation.org](http://huntheroesfoundation.org)

## Summer Safety Tips!

Summer means more outdoor activities – be on the lookout for runners, bike riders & children playing. Don't forget sunscreen and bike helmets!

Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, pets, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
