Our President's Message

From all of us here at Hunt Military Communities, I want to wish all the fathers out there the sincerest Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

In May, Hunt Military Communities teamed up with wear blue: run to remember in organizing Memorial Day virtual run/walk events in our communities. wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military.

This year, wear blue hosted the event as a virtual run/walk, enabling runners and walkers from all over the U.S. to continue on in the mission – to honor our nation's fallen by learning their stories, speaking their names out loud and honoring their legacies. Runners and walkers were encouraged to participate on an individual basis and became part of a living memorial to America's fallen heroes and showed support for the families they left behind. Hundreds of HMC employees and residents participated in the event across the U.S.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

Sincerely,

John Ehle, President

Friendly Reminder Grilling Safety

- >Propane and charcoal BBQ grills should only be used outdoors.
- >The grill should be **placed 15 ft. away from the home, and out from under eaves and overhanging branches.**
- >Keep children and pets at least three feet away from the grill area.
- >Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- >Never leave your grill unattended.
- >Always make sure your gas grill lid is open before lighting it.

CHARCOAL GRILLS

- >There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- >If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- >Keep charcoal fluid out of the reach of children and away from heat sources.
- >There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- >When you are finished grilling, let the coals completely cool before disposing in a metal container.
