NELLIS INSIGHTS

NEWS & STORIES

NFH Important Fourth of July Safety

Please remember that fireworks are NOT allowed in the community, on base. The safest way to enjoy them is at a public display. Even sparklers are dangerous – they reach 1500 degrees, aren't suitable for children. Consider providing glow sticks to children to enjoy while watching public fireworks displays – with trained professionals and emergency response personnel on hand.

Pets - Keep ALL your pets inside at all times! Loud noises & bright flashes of fireworks can cause pets to flee, jump the fence. Choose a quiet room, block outside sights & sounds. Include their crate, toys & blanket for comfort. Check that your pet's collar & tags are current & securely fastened, they are all micro-chipped if you not already. Keep food & alcohol out of reach as these can be toxic for pets. Avoid scraps from the grill, while tempting to pets, sudden changes to your pet's diet can cause stomach upset, also certain foods like onions, avocados, grapes & raisins can be toxic.

Have a safe and Happy Fourth of July.

* Please note, NFH Office & Self Help will be closed 3rd, July, 2020 in observance of Independence day 4th, July, 2020.

Our President's Message

at Heroes Foundation (HHF), the non-profit organization founded by Hunt Military Communities ("HMC"), recently rided \$30,000 of scholarship grants to 12 military family members. Friendly Reminder Grilling

- >Propane and charcoal BBQ grills should only be used outdoors.
- >The grill should be placed 15 ft. away from the home, and out from under eaves and overhanging branches.
- >Keep children and pets at least three feet away from the grill area.
- >Keep your grill clean by removing grease or fat buildup from the grills and
- in trays below the grill.
- >Never leave your grill unattended.
- >Always make sure your gas grill lid is open before lighting it.

- >There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as
- >If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- >Keep charcoal fluid out of the reach of children and away from heat sources.
- >There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- >When you are finished grilling, let the coals completely cool before disposing in a metal container.
