NELLIS INSIGHTS NEWS & STORIES

Back to School Tips

- ◇ Set your kids' sleep schedules back to "school Time" two weeks before their first day.
- ◇ Virtual visit cultural attractions like museums to shift their brains into "scholar" mode.
- ◇ Encourage your kids to read at least one book before the school year begins.
- ◇ Reacquaint your kids with the calendar schedule they'll use to manage their activities.
- ◇ Try apps like iHomework or MyHomeWork to help your kids organize assignments.
- ◇ Let kids choose a planner or scheduling tool that they're excited to use.
- ◇ Discuss what your kids can expect on the first day so they feel more prepared.
- ◇ Create an after-school schedule that allows time for snack, relaxation, play and study.

Our President's Message

As we all prepare for back-to-school, we want to help support you and your children in whatever form their educational experience takes this year. In 2019, on average, families spent close to \$700 per student for school supplies. In addition, many schools also asked parents to contribute up to \$100 per family for general use classroom materials. When combined with other childcare costs, many military families face difficult choices about whether to ensure their children are well

supplied for school or whether to purchase other essential items for their family, including clothing and food. This year, the Hunt Heroes Foundation, in partnership with Operation Homefront, will distribute 3,700 backpacks filled with much-needed school supplies to military families at each of our communities. We are proud to be partnering with this well-respected national non-profit who last year provided backpacks to over 43,000 military children across the U.S. Watch for more information in the coming days about this effort and how you can apply to receive school supplies for your child. As we move ahead together and navigate these uncertain times, we remain committed to serving you and your families.

Sincerely,

John Ehle, President

Tuesday to Sunday 1200 to 2000
Closed Monday's

Be a Water Watcher!

I, _____ pledge that I will

Designate a water watcher every single time children in my care are in or near the water. Watch my kids when they are around water without any distractions such as cell phones, book reading, tanning, etc.

Watching my child/children is MY responsibility. I understand the lifeguard's job is to enforce rules, scan, rescue and resuscitate.

Ask others about the designated water watcher at gatherings and parties.

Learn CPR and teach my children to swim

| 23 | 24 | 25 | 26 | 27 | 28 | 29 |
| 30 | 31 Bulk Pick Up | | | | | |

Friendly Reminder Grilling Safety

- >Propane and charcoal BBQ grills should only be used outdoors.
- >The grill should be **placed 15 ft. away from the home, and out from under eaves and overhanging branches.**
- >Keep children and pets at least three feet away from the grill area.
- >Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- >Never leave your grill unattended.
- >Always make sure your gas grill lid is open before lighting it.

CHARCOAL GRILLS

- >There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- >If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- >Keep charcoal fluid out of the reach of children and away from heat sources.
- >There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- >When you are finished grilling, let the coals completely cool before disposing in a metal container.
