Our President's Message

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military members serving at

home and overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and come have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

Sincerely,

John Ehle, President

Hunt Military Communities

Employee of the Month

We will send a third truck, every other week, to pick up bulk items. Bulk items are items that do not fit inside your cart. Please share this calendar with your landscaper and pin it up in your garage for reference.
