wear blue: run to remember and Team RWB will personally match each registered participant with the name of a fallen service member to ensure that we remember and honor the 65,502 Americans killed in military service since the beginning of the Vietnam War. The median age of a Vietnam veteran is 74-years old. Recognizing the critical moment before us, together we will collectively honor this generation's fallen service members within their lifetime.

Our President's Message

As we welcome warmer days and longer nights, we also look to a future of doors opening back up and life returning to a new normal. I want to personally thank you for your patience this past year as we all navigated the safest way to serve our residents, employees, and our partners. It was not easy to manage an unexpected

pandemic, but we did so, always keeping our residents' best interests and safety first and foremost. Over the course of the next month, we hope to begin opening up our amenities (as appropriate and approved by local guidelines) and see a full return of staff to our offices. Our teams look forward to seeing you and helping you in any way we can. And as a reminder, one of the best ways to help minimize the spread of COVID-19 is to get vaccinated. If you are having difficulties finding a location where you can receive your vaccination, please check out vaccinefinder.org.

Sincerely,

John Ehle, President
