## NELLIS INSIGHTS

### Important Community Fourth of July Safety

Please remember that fireworks are NOT allowed in the community, on base. The safest way to enjoy them is at a public display. Even sparklers are dangerous – they reach 1500 degrees, aren't suitable for children. Consider providing glow sticks to children to enjoy while watching public fireworks displays – with trained professionals and emergency response personnel on hand.

Pets - Keep ALL your pets inside at all times! Loud noises & bright flashes of fireworks can cause pets to flee, jump the fence. Choose a quiet room, block outside sights & sounds. Include their crate, toys & blanket for comfort. Check that your pet's collar & tags are current & securely fastened, they are all micro-chipped if you not already. Keep food & alcohol out of reach as these can be toxic for pets. Avoid scraps from the grill, while tempting to pets, sudden changes to your pet's diet can cause stomach upset, also certain foods like onions, avocados, grapes & raisins can be toxic.

## Our President's Message

Welcome to the official start of summer! In just a few days, we will celebrate American Independence Day on the Fourth of July. We think of July 4, 1776, as a day that represents the Declaration of Independence and the birth of the United States of America as an independent nation. It is also a time families gather to barbecue, gather with friends, and watch fireworks. Whatever your plans are, we hope you will be safe and continue to give thanks for our precious gift of freedom.

Many have already experienced extremely hot weather, and it is forecasted to continue in many parts of our nation. Should you have a maintenance emergency, our teams will be on call throughout the holiday weekend 24/7. We are also pleased to announce our Hunt Heroes Foundation will once again be partnering with Operation Homefront on their Backpack Brigade program. Be on the lookout for the details on how to register your child to receive a complimentary backpack filled with school supplies. This will be on a first-come, first-served basis, and quantities are limited per community. Wishing you all a safe, happy, and healthy holiday and summer!
