## Our CEO's Message

As we welcome fall we look forward to cooler weather, children settled into school and football. It is also a time when Hunt Military Communities launches their annual Hunt Helping Hands initiative. This year we have once again organized a food drive in support of our military families and food insecurity. Data we have received indicates many military families face this challenge and could use additional support. Details

about your communities food drive will be emailed, posted on social media, and cards left at each door. We are partnering with various groups on base who may have resources for distribution and we are also working with a local food bank closest to your community. Our goal is to make sure our families are taken care of and those in need receive the resources they need. Additionally, Hunt Military Communities is excited to collaborate with Hire Heroes USA to assist military service members and their spouses and meaningful careers upon completion of their military service. Our donation will fund career transition services for veterans, military spouses, and transitioning service members. We will also collaborate with them to source more military veteran and spouse talent for our teams. More to come on this fantastic opportunity to assist those needing career advisement and services. Thank you for allowing us to serve you.

Brian Stann

## Celebrate Safety

**More house fires occur on Christmas than any other day except Thanksgiving- Stand by your pan! Be mindful when cooking – it's easy to get distracted.**

- Be extra cautious if using candles. Employ a one foot circle of safety with nothing within that could burn
- Water live trees daily
- Unplug lights before leaving the house or going to bed at night. Consider using LED lights which are cooler than other types
- Develop and practice a home fire escape plan
- smoke and CO detectors are working. Initiate a maintenance request if you need assistance or are unsure
- Don't overload extension cord and don't run them under rugs or carpets
- Ensure lights and cords used outside are rated for exterior use

## Holiday Decorations

Holiday lights decor cannot be put up any higher than the eaves of first floor roof. Any light hanging device that is sold can be used with the exception of nails and staples put through the metal fascia or roof tiles. Décor may not be attached by nails, screws, staples or any item that will penetrate the structure.

All décor must be within your property area. For SAFETY any item on sidewalks/light poles and roofs are PROHIBITED.

We look forward to all the  
sparkling lights and festive decorations
