Our CEO's Message

Dear HMC Residents,

As we head into February, I want to share with you an important opportunity for those looking to attend secondary schooling at a 2-year, 4-year, or technical school. Hunt Military Communities, in partnership with the Hunt Heroes Foundation, is once again excited to sponsor our fourth annual scholarship program. This year we will be awarding 18 scholarships totaling \$50,000. Those eligible include any active service member or their dependents.

This is open to any branch of our armed forces and you do not need to be a Hunt Military Communities resident. All scholarship applications must be filled out online at <https://learnmore.scholarsapply.org/huntheroesscholarship>. The deadline to submit a nomination is February 22, 2022, at 3 pm CST, or until 50 applications are received, whichever comes first. Even if you do not have a need this year, we invite you to share this opportunity with someone who qualifies. This is one of many charitable endeavors Hunt Military Communities is actively pursuing. We have supported several of the top rated charities that serve our active duty & military veteran populations to include career transition, homes, education, and mental health. Our support for these organizations, Tunnels to Towers, Hire Heroes USA, Travis Manion Foundation, and our Hunt Heroes Foundation Scholarships are all part of our desire to go above and beyond providing housing and property management services to our nation's heroes and their families. Thank you very much for choosing to live with HMC, and we hope you have a wonderful month!

Sincerely,

Brian Stann

President & CEO

Winter Driving Safety

February seems so long for a short month...

Let's talk about winter driving. Whether that means rain or snow in your area. Slow down and leave plenty of room between you and the car in front of you Stopping distances increase – slow down for intersections, turns and other traffic early If you skid or hydroplane, look and steer in the direction you want to go. Avoid sudden braking. Accelerate and decelerate slowly Avoid using cruise control on wet or slippery surfaces.

- Ensure tires are properly inflated
- Carry an emergency kit
- Always wear a seat belt
- If conditions warrant, stay home
