NELLIS INSIGHTS

## BE A WATER WATCHER

I, \_\_\_\_\_, pledge that I will

- Designate a water watcher every single time children in my care are in or near the water.
- Watch my kids when they are around water without any distractions such as cell phones, book reading, tanning, napping, socializing, etc.
- Watching my child/children is MY responsibility.
- Ask others about the designated Water Watcher at gatherings and parties.
- Learn CPR and teach my children to swim.
- Know how to call 9-1-1 in case of emergency.

## Our CEO's Message

Dear HMC Residents,

This month we officially welcome summer, celebrate graduations, observe Father's Day, and prepare for PCS season. Congratulations to all of our graduates. Whether you are graduating college or kindergarten, taking the next step in your educational career

and in life, is important and should be celebrated! We want to ease the burden and stress that often comes with moving, and one way we can do this is to ensure we are providing clear communication, answering questions, and walking you through the process. You are encouraged to reach out to your Resident Service Specialist once you have received orders so they can guide you through every step. On behalf of Hunt Military Communities, I wish all of our fathers and father figures, a Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

Semper Fidelis,

Sincerely,

Brian Stann

## Employee Spotlight

*Veronica Nissell*

### What do you most love about your job?

*In the last 15 years, I've worked with thousands of military residents in all aspects of living in Privatized housing- moving in, moving out, maintenance issues, community events, etc. I love it when I'm able to ease the mind of a deployed service member or new (and even the seasoned) spouse and make their lives just a little better. Military life is sometimes stressful. When I'm part of the solution to any problem they may be having, it makes me fall in love with this job all over again.*

### Fun facts about you?

*I've dedicated my entire adult life to the military. I joined the Army at 18, was a Marine spouse for 17 years, and chose to continue to work with military families after my husband's retirement.*
